New Discipleship Course

During this 13 week course, we will explore how to: believe what the Bible says is true even when it doesn't feel like it; resolve the effects of issues from the past that may be holding you back (even the deepest, most painful things in you that you think can never change) and get rid of patterns of negative thinking that can stop you from growing. When that's all dealt with, you will be equipped with tools to not just stay free, but to go on to maturity as a Christian and live a life that really has an impact for Jesus in this world. Tuesdays at 7 PM in Room M. To register, please contact Joe or Lory Matthews at joelory@verizon.net or (315) 638-8247

Wednesday Night Women's Life Group

"God is in the business of strategically positioning us in the right place at the right time. But the right place often seems like the wrong place, and the right time often seems like the wrong time. The greatest opportunities in our lives can still be the scariest lions in our lives. When we don't have the guts to step out in faith and chase lions then God is robbed of the glory that rightfully belongs to him."
Starting October 10th, at 6:30, in room 8-9, Wednesday's Life Group for Women will study Mark Batterson's *In The Pit With A Lion on a Snowy Day*. You will learn how spiritual maturity is seeing and seizing God-ordained opportunities.
To sign up for this study contact Jill Evans at enrich.renew2016@gmail.com
